ORDER

Before: Peter L. Shaw, Appellate Commissioner

Appellants' motion for reconsideration of the clerk's January 25, 2006 order is denied without prejudice to a renewed motion accompanied by a single copy of the proffered brief. 9th Cir. R. 32-2. Appellants are informed, however, that the brief length that appellants request greatly exceeds the length that is customarily permitted.

The renewed motion or a brief not to exceed 8,400 words shall be filed within 14 days after the date of this order.
