The Crandon Park Golf Course Key Biscayne, Florida

Crandon Park Golf Course is a championship 18-hole golf course located on the "island paradise" of Key Biscayne, just 10 minutes from downtown Miami. It is the only public course on the Bay. Designed in 1972 by Robert von Hagge and Bruce Devlin, and redesigned by von Hagge in 1993, the course features the world's largest tee, seven saltwater lakes, challenging sand traps, mangrove thickets, and many holes overlooking Biscayne Bay.

Since 1987, it has hosted the Senior PGA Tour, attracting players including Lee Trevino, Chi Chi Rodriguez, Don Messengale, Ray Floyd and Gary Player. The course is considered one of the most beautiful and difficult par-72 courses in the state and has been rated in the top ten courses by Golfweek, and one of America's top 75 upscale courses by Golf Digest.

From the first hole - a dog leg par 5 that requires a drive over water and mangroves - to the last - another par 5 with water on both sides of the fairway - Crandon Park Golf Course has, in many ways, become Miami-Dade's signature public golf course. Play on the Bay at Crandon Park Golf Course!
